FAIRLINE SQUADRON 42 SERENITY

# JYACHTS.

JD Yachts 80 The Esplanade Weymouth Dorset United Kingdom DT4 7AA Tel: +44 (0)1305 766 504 sales@jdyachts.com

# **FAIRLINE SQUADRON 42**

# SERENITY

GBP 299,950 INC TAX

# MAIN CHARACTERISTICS

Year:	2012
Hull Colours:	Blue
Lying:	Hayling Island, UK
Engine(s):	2 x 370 HP Diesel Volvo D6-370
Hours:	575
Length:	12.94 m / 42' 5"
Beam:	4.220 m / 13' 10"
Draft:	1.080 m / 3' 7"
Weight:	15 tons
Fuel Capacity:	996 litres / 219 gallons
Water Capacity:	390 litres / 86 gallons
Accommodation:	6 berths in 2 cabins

# **EXTRAS**

- Bow Thruster
- Twin Stern Thrusters
- Generator
- Eberspacher diesel fired heating with screen demist
- Holding tank with macerator
- 32" TV to saloon
- 19" TV to forward and starboard guest cabin
- KVH M2 Satellite TV
- Garmin GMi10 multifunction display
- Fish finder module
- Garmin Autopilot
- · Garmin 4012 plotters to upper and lower helms
- Garmin 300i VHF
- Garmin GMR24 radar
- Teak laid flybridge
- Teak flybridge table
- Flybridge bar upgrade with fridge, BBQ, sink and icemaker
- Freshwater outlets to anchor locker and transom
- Stainless steel rubbing strake
- Master cabin mattress upgrade
- Guest cabin mattress upgrade
- Fairline hydraulic dinghy launch system

# STANDARD SPECIFICATION

#### HULLFORM AND CONSTRUCTION

All gel coat and glass fibre hand laid with unidirectional, biaxial and woven rovings Antifouling protection to hull Deep V forward 12.5deg deadrise aft Design, layout and detailing by the Fairline Design Team Naval architecture and structural engineering by Bernard Olesinski Full length hull design Full length moulded spray deflectors Hull/deck join bolted and bonded Integrally moulded engine bearers Isophthalic gel coat backed by isophthalic resin-rich powder-bound glass mat Panoramic hull windows Stainless steel gunwale with rubber insert The deck incorporates polyurethane foam cores for high strength and excellent thermal insulation The integral bathing platform gives the boat a longer waterline length for improved performance, particularly at reduced power settings The propellers are set in semi-tunnels enabling the engines to be located further aft, also reducing draught and improving efficiency by reducing the shaft angle Transverse and longitudinal strengthening stringers throughout hull

#### DECK

Anchor chain locker Anchor winch (electric) Anchor winch controls Calibrated anchor chain Delta anchor 16kg with 45m chain (galvanised) Foredeck lockers **Fuel fillers** Full set of IMCO navigation lights Horn to radar mast Hot and cold water transom shower Moulded non-slip deck surface Recessed self-draining area on foredeck for coachroof sun cushions **Riding light** Stainless steel bow, spring and stern cleats Stainless steel bow fairlead(s) Stainless steel handrails Stainless steel pulpit Stainless steel stemhead roller Swim ladder Teak laid bathing platform Toughened glass curved windscreen Transom gates from cockpit to integral bathing platform

Water filler(s) Windscreen wipers

#### FLYBRIDGE AND SECOND HELM POSITION

12V heavy duty weatherproof socket Access hatch Bilge pump warning lights and audible alarms Bolstered helm seating Chaise-longue seat Companion seating to helm **Deck level lighting Drinks holders** Electronic single-lever throttle and gear controls for port and starboard engines GRP flybridge table with hi/lo facility Garmin GMI 10 digital multi-function instrument system with colour display Helm position indicator High speed magnetic compass Instrument covers Moulded non-slip deck surface Remote anchor winch controls Remote control searchlight with controls at both helm stations Repeat flybridge engine instrumentation, controls and electronics Stainless steel handrails Teak laid oversize flybridge steps Trim tab controls VHF radio incorporating intercom Wind-deflecting screen with grab rail

#### MAIN HELM POSITION

12V socket Adjustable/tilt steering wheel Bilge pump switches with integral operating warning lights and audible alarms Bolstered helm seat Control panel for 12V/240V domestic electrical circuits Controls for engine bay fire extinguisher system Electronic single-lever throttle and gear controls for port and starboard engines Fuel gauges Full engine instrumentation including; tachometers, temperature gauges, battery condition indicators, audible alarms and engine hour meters Garmin GMI 10 digital multi-function instrument system with colour display Garmin VHF 300i marine radio Helm position indicator High speed magnetic compass Hydraulic steering Opening side window (manual)

Random teak floor Red night-light illumination to helm Remote anchor winch controls Searchlight controls Switches for navigation and riding lights, windscreen wipers and engine bay extractor fans Trim tab controls

#### **ELECTRICAL SYSTEMS**

All 240V, 24V and 12V circuits (where applicable) protected by circuit breakers with main electrical load control panel Heavy duty circuit breakers Isolating switches to all batteries 12 Volt Batteries - 2 x heavy duty batteries wired in parallel supplying domestic services Battery - 1 x heavy duty battery exclusively for port engine starting Battery - 1 x heavy duty battery exclusively for starboard engine starting Regulated charger 240 Volt Polarity check and earth leakage protection system Power points throughout the boat (fed from shore power or generator) Shore power supply

#### AFT COCKPIT/TRANSOM

12V heavy duty weatherproof socket Access hatch to lazarette Aft cockpit enclosure covers Cockpit lights Cockpit seat with reversible backrest Deck level lighting Engine bay access hatch with stainless steel ram Manual bilge pump(s) Shoreline stowage locker Sliding patio door to main saloon Teak laid floor throughout self-draining cockpit Warp lockers

#### MAIN SALOON

Aerial and connections for television Blinds to side windows Curtains to patio door Dining table Cocktail cabinet Full-height standing headroom

Full length saloon windows Halogen ceiling lights Handrail with glass partition leading to galley Sofa

#### GALLEY

Electric hob Microwave oven and grill Additional galley storage space built into bulkhead Foundations work surface Halogen ceiling lights Integrated waste bin Lacquered cupboard doors Panoramic windows with opening port Random teak floor Refrigerator Sink with hot and cold mixer tap Underfloor stowage Work surface lights

#### **MASTER CABIN**

Bedside table Drawer(s) under bed Full-height standing headroom Halogen ceiling lights Large hatch with flyscreen and concealed blinds to foredeck Lockers (overhead) Master cabin skylight Mirror Opening hull windows with blinds Oversized double bed Reading lights Upholstered bedhead Wardrobe(s)

#### **MASTER EN SUITE**

220V/240V shaving point Automatic shower tray pump-out system Electric silent-flush freshwater toilet Extractor fan Foundations vanity unit locker and basin with hot and cold pressurised water Full set of bathroom fittings Full standing height shower with hinged door

Halogen ceiling lights Mirror Opening hull windows with blinds

#### STARBOARD GUEST CABIN

Bedside stowage Double doors to en suite Full length berths x 2 with sliding conversion to double bed Full standing height shower with solid teak gratings, seat and hinged door Halogen ceiling lights Lockers (overhead) Mirror Opening hull windows with blinds Reading lights Wardrobe(s)

#### **GUEST CABIN EN SUITE**

220V/240V shaving point Automatic shower tray pump-out system Day Access Electric silent-flush freshwater toilet Extractor fan Foundations vanity unit locker and basin with hot and cold pressurised water Full set of bathroom fittings Full standing height shower with solid teak gratings, seat and hinged door Mirror Opening hull windows with blinds

#### **ENGINES AND STERNGEAR**

Access through cockpit hatch Aerodynamically designed engine air intakes Automatic bilge pumps for forward bilge, engine bay and rudder bay with manual 'on' override Automatic engine bay fire extinguisher system with warnings at both helms Balanced rudders Cathodic protection Dripless shaft seals Electric engine bay fan(s) Electro-hydraulic trim tabs with cathodic protection Engine bay lights Engine room soundproofing Exhaust overheat warning system High capacity emergency manual bilge pump system with changeover valves Manganese bronze 'P' brackets

Manganese bronze propellers contra-rotating Sea cocks on all inlets/outlets below waterline Stainless steel alloy shafts Water cooled engine exhausts with silencers and side outlets

#### **FUEL SYSTEM**

Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank Emergency fuel shut-off valves accessible via cable-operated remote control High capacity water separators and fuel filters Individual fillers and vents to port and starboard Marine grade alloy fuel tanks x 2

#### FRESHWATER SYSTEM

Automatic, pressurised supply Calorifier hot water system Water tank(s)

# **OWNER COMMENTS**

New Flybridge and Cockpit Upholstery with Cross-stitch Detailing, finished in Platinum Grey (2025) New Flybridge Composite Laid Decking including Flybridge Table, finished in Grey (2025) Full Engine Servicing including Gearboxes (2025) Generator Service (2025) New Antifouling and Replacement Anodes (2025) Propellers, Shafts, Rudders & P-Brackets Polished with Propspeed Coating (2025)

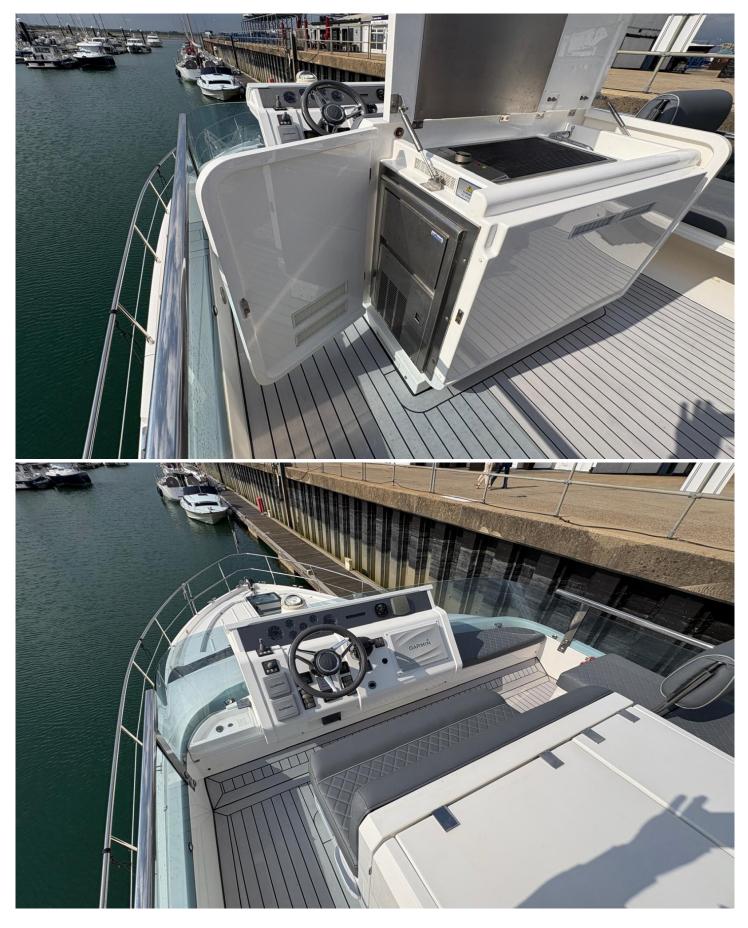

# DISCLAIMER

Whilst every care has been taken in the preparation of these particulars, their accuracy is not guaranteed. They are intended as guides only and as such do not constitute a part of any contract. A prospective purchaser is advised to check all particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted, which if conducted by us shall not imply any liability on our part. All dimensions, performance figures & range notes given are approximate and should be treated as a guide only. Pictures may be from a brochure or of a similar vessel. Engine hours shown are correct at the time of preparation of the particulars, but will vary with usage. Availability of specific vessels may be subject to change, we therefore recommend you call for confirmation. N.B. Ribs, dinghies, water toys and out-board engines are not included in the sale unless other wise stated.
