Stainless steel bow fairlead(s)  
Stainless steel bow, spring and stern cleats  
Stainless steel handrails  
Stainless steel pulpit  
Stainless steel stemhead roller  
Stainless steel transom wing cleats  
Swim ladder to bathing platform  
Teak-laid bathing platform  
Toughened glass curved windscreen  
Twin horns  
Twin transom gates from cockpit to integral bathing platform  
Water filler  
Windscreen washers  
Windscreen wipers

### **FLYBRIDGE AND SECOND HELM POSITION**

12V heavy duty weather proof socket  
Access hatch  
Acrylic dodgers  
Adjustable/tilt steering wheel  
Bilge pump warning lights and audible alarms  
Bow thruster controls  
Companion seating to helm  
Drinks holders  
Echosounder and speedometer/distance log repeater(s) with sea water temperature read out  
Electronic single-lever throttle and gear controls for port and starboard engines  
Flybridge bar unit with refrigerator, sink and waste bin  
Forward seating with infill cushion  
Garmin GMI 20 digital multi-function instrument system with colour display  
GRP radar mast  
GRP table with teak border

Helm position indicator  
Helm positioned to port to allow visibility through flybridge hatch  
High speed magnetic compass  
Instrument covers  
IPS joystick  
Moulded non-slip deck surface  
Powered steering  
Remote anchor winch controls  
Remote control searchlight with controls at both helm stations  
Repeat engine bay fire extinguisher controls  
Repeat flybridge engine instrumentation, controls and electronics  
Sunbed with storage beneath  
Teak laid flybridge steps  
Trim tab controls  
Twin helm seats  
Upholstered seating area with table, convertible to cushioned sunbathing area  
VHF radio incorporating intercom  
Wind-deflecting screen with grab rail

## **MAIN HELM POSITION**

12V socket  
Bilge pump switches with integral operating warning lights and audible alarms  
Controls for engine bay fire extinguisher system  
Drinks holders  
Electronic single-lever throttle and gear controls for port and starboard engines  
Fuel gauges  
Full engine instrumentation including; tachometers, temperature gauges, audible alarms and engine hour meters  
Garmin GMI 20 digital multi-function instrument system with colour display  
Garmin VHF marine radio  
Helm position indicator  
High-speed magnetic compass  
IPS joystick  
Remote anchor winch controls  
Searchlight with remote control at helm  
Twin helm seats  
Waterproof switches for navigation and riding lights, windscreen wipers and engine bay extractor fan(s)

## **ELECTRICAL SYSTEMS**

All 240V, 24V and 12V circuits (where applicable) protected by circuit breakers with main electrical load control panel  
Electrical sockets  
Heavy duty circuit breakers  
Isolating switches to all batteries

#### 12 Volt

Batteries - 2x heavy duty batteries for domestic services

Battery - 1x heavy duty battery for exclusive port engine starting

Battery - 1x heavy duty battery for exclusive starboard engine starting

Emergency battery coupling system permits starboard engine to start port engine if domestic batteries accidentally discharged

#### 240 Volt

Polarity check and earth leakage protection system

Power points throughout the boat (fed from shore power or generator)

Regulated battery charger

Shore power supply

### **COCKPIT**

12V heavy duty weatherproof socket

Bathing platform lights

Cockpit seating

Drinks holders

Engine bay access hatch

Fender stowage

Gas locker

Lazarette under cockpit seat

Life raft stowage

Manual bilge pump(s)

Step for side deck access

Teak laid cockpit

Warp lockers

### **HULLFORM AND CONSTRUCTION**

Design, layout and detailing by the Fairline design team

Full length moulded spray deflectors

Integrally moulded engine bearers

The deck incorporates polyurethane foam cores for high-strength and excellent thermal insulation

Transverse and longitudinal strengthening stringers throughout hull

### **MAIN SALOON**

Companion seating opposite helm

Companionway steps with handrail to galley and accommodation

Dining table

LED ceiling lights

LED TV 32"

Manual opening windows

Radio with wireless connectivity

Side board with storage for bottles and glasses

Sofa

Stainless steel door to cockpit with integral blind system

Storage locker to helm seat base

Stowage locker under seating

**GALLEY**

2-burner gas hob, oven and grill

Control panel for 12V/240V domestic electrical circuits

Crockery stowage

Extractor fan

Hull window

Integrated waste bin

Lacquered cupboard doors

Large pantry cupboard

LED ceiling lights

Lockers (overhead)

Sink with hot and cold mixer tap

Solid work surface with covers

Tall fridge/freezer with automatic 12V/240V change-over

Work surface lights

**FORWARD CABIN**

Access to shower/WC compartment

Bedside tables

Double bed converting to V-berth

Full length mirror

Hatch to foredeck

Headboard shelf unit

LED ceiling lights

Lockers (overhead)

Low level drawers

Opening porthole(s)

Reading lights

Trinket locker

Wardrobe

**MASTER CABIN**

Bedside tables

Chest of drawers x2

Full length double bed

Full length mirror

LED ceiling lights

Opening porthole(s)

Reading lights  
Wardrobe

### **THIRD CABIN**

Full length mirror  
Full length twin bunk beds  
LED ceiling lights  
Opening porthole(s)  
Reading lights  
Wardrobe

### **SHOWER/WC COMPARTMENT**

220V/240V shaving point  
Automatic shower tray pump-out system  
Electric silent-flush freshwater toilet  
Extractor fan  
Solid surface vanity unit locker and basin with hot and cold pressurised water  
Full set of bathroom fittings  
Full standing-height shower with integral shower tray and adaptable shower head  
Hand basin with hot and cold water  
Mirror  
Opening porthole  
Stowage locker

### **ENGINES AND STERNGEAR**

Automatic bilge pumps for engine bay with a manual 'on' override  
Automatic engine bay fire extinguisher system  
Electric engine bay fan(s)  
Electric trim tabs with cathodic protection  
Engine bay lights  
Engine room soundproofing  
High capacity emergency manual bilge pump system with changeover valves  
Sea cocks on all inlets/outlets below waterline

### **FUEL SYSTEM**

Changeover valve system to permit each engine to draw fuel from, and return fuel to, either tank  
Emergency fuel shut-off valves  
High capacity water separators and fuel filters  
Individual fillers and vents to port and starboard  
Twin fuel tanks  
Freshwater System

05/09/2024

FAIRLINE SQUADRON 48

Automatic, pressurised supply

Calorifier hot water system

Water tank

## **GAS**

All gas burners fitted with flame failure protection devices

Copper, polythene sheathed supply pipe

Single tail feed with regulator and gas low system test meter

Stowage for gas bottle in self venting cockpit locker

**OWNER COMMENTS**

2024 season ready for her new owner. Antifouled and polished - March 2024. New anodes - March 2024. Engines and IPS serviced - March 2024. Generator serviced - March 2024.

## DISCLAIMER

Whilst every care has been taken in the preparation of these particulars, their accuracy is not guaranteed. They are intended as guides only and as such do not constitute a part of any contract. A prospective purchaser is advised to check all particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted, which if conducted by us shall not imply any liability on our part. All dimensions, performance figures & range notes given are approximate and should be treated as a guide only. Pictures may be from a brochure or of a similar vessel. Engine hours shown are correct at the time of preparation of the particulars, but will vary with usage. Availability of specific vessels may be subject to change, we therefore recommend you call for confirmation. N.B. Ribs, dinghies, water toys and out-board engines are not included in the sale unless other wise stated.
